What are Students Saying About University of Dubai?

"Instructors are very experienced and throughout my educational period here, they have been very supportive. I was impressed with the high level of teaching and I'm sure my degree will enhance my capabilities and make me go further in my career."

Fatma Hussain Al Mulla
(BBA, Business Management, Senior Manager of Training & Development at Economic Zones World)

"At the University of Dubai, I had a great chance to combine work with education, thanks to the evening courses system that made my learning process possible. The advanced programs in line with my working experience were equally important. I am very grateful for the time I spent at UD and the great team of lecturers that spared no effort to educate us."

Feras Sweilam
(BSc, Computing and Information Systems, Regional Sales Officer at Epson Europe)
