UAE vision 2071 through the eyes of youth visionaries

The UAE plans is to aim at investing in the young future generations, by providing them with skill and knowledge needed to face rapid changes and to make the UAE the best country in the world by the next centennial in 2071, His Highness Sheikh Mohammed bin Rashid Al Maktoum, Vice-President and Prime Minister of the UAE and Ruler of Dubai was the one who launched the UAE Centennial Plan 2071. For the long-term government work forms a clear map for the country's reputation and its soft power.

The UAE Centennial 2071 is based on four pillars Future-focused government, Excellent education, A diversified knowledge economy, and A happy and cohesive society. The Future-focused government aims to establish the government of the UAE as the best government in the world and achieving the happiness in society and spreading positive messages around the world, with its developing mechanisms for monitoring long-term variables in various sectors.

The second pillar of the UAE Centennial 2071 is Excellent education. The Excellent education focuses about the importance of excellent quality of education, some areas focus different topics including advanced science and technology, space science, engineering, innovation and health sciences, other educational standard includes teaching students, mechanisms, for discovering their individual talents in a early stage.

The third pillar of the UAE Centennial is A diversified knowledge economy, A diversified knowledge economy aims to be competitive and one of the best economies worldwide, it can be achieved by escalating productivity of national economy, support of national companies, investment in science research and promising sectors, and other stuff to develop the national strategy to shape the future of the UAE's economy and industry and to place the UAE as among the international important economies. The UAE inventors and scientists can support them in technical sciences to achieve the Knowledge economy by a generation.

The final pillar of the UAE Centennial 2071 is A happy and cohesive society, A happy and cohesive society focuses on establishing a secure, tolerant, cohesive, and ethical society that embraces happiness and a positive lifestyle and a high quality of life for the residents and tourists of UAE, as well as promoting women's participation in all sectors, and it also focuses on developing programs to prepare future generations to serve as the UAE's goodwill ambassadors, making the UAE one of the best places to live in.

The UAE Centennial 2071 plan includes, promoting the UAE's reputation, Diversifying non-oil imports and exports, Investing in advanced technology-based education, Building Emirati values and ethics for the future generations, Raising productivity of the national economy, and Enhancing social cohesion, and His Highness Sheikh Mohammed bin Rashid Al Maktoum, and The Crown prince of Abu Dhabi and Deputy Supreme Commander of the UAE Armed Forces

spoke about the strategies to prepare the UAE sustain development and embracing happiness and positivity that will guarantee the development and happiness of the future generations for decades.
